## **Weather-related Calendar Changes:**

Bishop McDevitt will issue an automated phone message when there are changes to the schedule due to weather. **Students who ride buses** need to find out the schedule for the school district in which they live. **Buses will follow the student's home district schedule**. (IE If there is a 2 hour delay in the home district, the buses will follow a 2 hour delay, regardless of McDevitt's start time). Students who drive, walk, or are driven to school should make every effort to get to school on McDevitt's schedule, provided it is safe to do so. For early dismissals, students will be dismissed with their district.
